

Motions to be debated at the 23rd Annual Congress, NPAVSCC.

Proposer: Borrisokane Community College and National Executive

1. NPAVSCC deplors the Department of Education & Science's decision to stop the progress of school buildings which the Department itself agree are not up to an acceptable standard. NPAVSCC requests the Department of Education & Science to reverse this decision immediately.

Proposer: Borrisokane Community College and National Executive, St Brogans Bandon and Bridgetown.

2. NPAVSCC requests the Department of Education & Science to reinstate the Committee to examine School Catchment Boundaries and report and implement the findings as a matter of urgency.

Proposer: Borrisokane Community College and National Executive

3. NPAVSCC calls on the Department of Education & Science to reinstate the Summer Works Scheme given that schools have already made applications on the Departments request. Schools should be reimburses for the cost of hiring consultants to make these applications.

Proposer: Baltinglass Community College and National Executive

4. That the National Executive calls on the IVEA to give full recognition to elected parents on Boards of Management and in so doing allows a structured communication between the parents groups Board Of Management, VEC and NPAVSCC.
