

N.P.A.V.S.C.C.

{National Parents' Association for Vocational Schools and Community Colleges}

What is NPAVSCC: It is a completely voluntary organization of parents of second level pupils working together in schools and colleges throughout the country with all the other education partners. These partners are the Board of Management, Teachers, Principals, V.E.C.s, DESk, TUI and ASTI.

NPAVSCCs MAIN OBJECTIVES:

- To organize all parents of pupils attending Vocational schools and Community Colleges through the formation of Parents Associations in each of these schools.
- To represent at national level, the views and interests of the parents of pupils attending Vocational Schools and Community Colleges.
- To co-operate and negotiate with all relevant bodies in securing the best possible educational and other services for the pupils attending Vocational Schools and Community Colleges.
- To consult and liaise with, make representations to, and, where appropriate, seek representation on, such local, regional, national and international bodies as are deemed relevant to the objectives of the Association.
- To promote the greater involvement of Parents in partnership with Management, Teachers and Students in the education system, having respect for these Partners.
- To obtain statutory representation for the Association in school management at all levels.
- To foster, in every way possible, our social and cultural values, as well as academic aims.

NPAVSCC STRUCTURE: School Association, County Scheme, National Association, National Parents Council post primary, European Parents Council.
